Michael,

~

Please see the attached Threshold change forms to increase thresholds. Due to the loss prevention issue with store 3864, we closed the account number 000179 and re-opened a new account number for this store, effective tomorrow. The new account number 904810.

~

Also, please note Andy's question regarding quantities ordered versus quantities filled. Can you assist with the answer?

~

Thank you,

~

So far....

And I am still looking..

Increase permanent threshold at 6683 by 30%

~

Increase permanent threshold at 2637 by 30%

~

Increase permanent threshold at 5776 by 30%

~

Increase permanent threshold at 5288 by 20%

~

Please do a Temporary (June only) threshold increase at 3864 of 15%. This store never received any of the Oxycontin and will be sending back the Alprazolam and Hydro. This is a known loss prevention issue you are aware of. I doubt they will need anything but please do a temporary just in case.

~

Important question!!!! — Since the Oxycontin was never shipped due to no 222 form why is it even counted against the stores threshold?
